EDUCATION

Global Surgery

19 – 23 September 2022

Working towards universal access to safe, affordable surgical and anaesthesia care.

A five-day intensive course exploring the critical challenges facing those working towards universal access to safe and affordable surgical, anaesthesia and obstetrics care.

This course looks at the provision of these services at a global level, and topics include:

- Beyond the Lancet Commission on Global Surgery
- Digital technology in global surgery
- Equipping the surgical workforce
- The journey to safe surgery
- Research and training opportunities
- Developing cooperative partnerships
- Working in new contexts
- Resource allocation
- Ethics and advocacy

The course is suitable for those in all disciplines interested in global surgery, anaesthesia and obstetrics. Those wishing to may apply to take the course with accreditation.

Apply by 15 May 2022 to be considered for a bursary.
