

# Oxford Neonatal Surgery Course 2020

**Monday 7th– Friday 11<sup>th</sup> September 2020**

A five day residential course aimed primarily at senior trainees in Paediatric Surgery and held in the beautiful setting of St Edmund Hall in the city of Oxford. The course provides a comprehensive overview of neonatal surgery (apart from urology) with particular emphasis on evidence-based practice and practical approaches to difficult clinical scenarios. Lectures are provided by leading experts within the UK and there is plenty of opportunity for interactive discussion.
