

# BLACK HISTORY

# MONTH 2021:

## PATRICK VERNON ON INEQUALITIES IN HEALTHCARE AND RESEARCH

Wednesday 13th October 12:00-13:00

Sign up on [Eventbrite](#)

The University of Oxford's Medical Sciences Division invites you to a talk by Patrick Vernon OBE - social commentator, campaigner, and cultural historian - as he considers healthcare inequalities through the lens of Black British history. This talk will be followed by a Q&A hosted by Dr Fadi Issa (University of Oxford, Nuffield Department of Surgical Sciences).

*Brought to you by the Oxford Biomedical Research Centre*
